

CITY OF GERING SUMMARY OF BENEFITS

HEALTH & DENTAL INSURANCE

The City of Gering is a self-funded insurance program with RCI as the third-party administrator. Part time employees working 30 hours per week are eligible for health insurance at a pro-rated amount.

Employees can participate in our High Deductible Health Plan (HDHP). Premiums for coverage are done by payroll deduction (based on 24 pay periods): currently \$50.00 per pay period for Single Employee, \$100.00 Employee/ Child, \$125.00 Employee/Spouse and \$150.00 per pay period for family coverage. With the HDHP, the employee can choose to open a Health Savings Account (HSA). For every dollar the employee contributes to their HSA account, the City will contribute three dollars, to a maximum City contribution of \$1200/single and \$2,400/family per year. (All contributions to the HSA are pre-tax.) This plan has a \$2,800/person or \$5,000/family deductible and a \$3,250/person or \$6,000/family maximum out-of-pocket.

Each person covered under the insurance is provided with an annual physical which includes blood work and prostate exam or mammogram and pap smear. This cost is paid 100% by the insurance. There is also a dental component which is a \$25/person deductible.

FLEXIBLE SPENDING ACCOUNT

This is an optional benefit for full-time employees and regular part-time employees who work at least 30 hours per week. This benefit allows employees to select a pre-tax deduction to be set aside for dependent care or unreimbursed medical expenses.

LIFE INSURANCE

The City of Gering provides each employee with a \$35,000 life insurance policy, at no cost to the employee. Employees must work at least 30 hours per week to be eligible for this benefit. This insurance policy is provided by Mutual of Omaha. Additional coverage can be added at the employee's option. The premiums for the additional policy are done by payroll deduction.
